MINICOMPUTER INFORMATION EXCHANGE**

**TI-MIX 1983 Attendee List**

The following list of attendees (preregistered before March 15, 1983) is provided by request of the TI-MIX General Board to promote information exchange between attendees. This Attendee List is distributed only to TI-MIX 1983 symposium attendees and will not be available after the conclusion of TI-MIX 1983. The attached list consists of three parts:

- \* A listing of attendees in alphabetical order by attendee's last name: The listing should be read from left to right. The first and third columns include attendee name, company name, city, state, and type of company. The second and fourth columns describe the company's TI equipment and applications.
- \* A cross reference in alphabetical order by company: The listing should be read from left to right. The first and third columns have the company name. The second and fourth columns list the attendees from the companies.
- \* A cross reference by state: The state is followed by city and company name.

THIS IS THE ONLY COPY OF THE ATTENDEE LIST YOU WILL RECEIVE.

EXTRA COPIES ARE NOT AVAILABLE.
