Get more from Xerox.

More performance with high resolution.
Get an unmatched combination of engine and controller speed, superb resolution, and rapid "first-print-out" times.

More work-saving intelligent features.
Get an exclusive package of standard convenience and printer-management features that simplify printing and help you get more done, in less time and with less effort.

More value.
Get your small, medium, or large-size workgroup a feature-packed network or personal printer that's easy to install, use, and manage—and get it at an affordable, competitive price.

More product choices, and color options.
Choose from a wide selection. And since Tektronix has joined the Xerox family, you also gain the color expertise of over 15 years of record-setting network color printing. Tektronix has consistently set industry standards with printer management innovations, top rated print speeds and award winning color quality.

More paper handling flexibility.
Print reliably on an impressive array of media weights and sizes—with affordable options that let you do even more.

More from a trusted brand.
Xerox products are known worldwide for reliability, innovation, quality, productivity, and value. Even more, Xerox stands behind them with an unmatched three-year Total Satisfaction Guarantee. Innovative service offerings include service agreements, installation, and custom training for your internal help desk.

Demand more from Printing.

Busy workgroup sizes vary and so do their network printing needs. But one thing everyone has in common is the need to get more done in less time, often with fewer people to share the workload.

You told us you needed printers that can do more, faster, with less effort and maintain superb reliability. You told us you wanted to add color to the network that was every bit as productive as black-and-white. Xerox listened.

The result is an expanded family of Xerox network printers ready to go to work.

For more information on our family of Tektronix Phaser
Color Printers by Xerox, DocuColor Printer/Copier, and
DocuPrint N Series Printers, see your Xerox reseller, or call:
